WHY CHOOSE US?

The Community Sports Foundation helps over 38,000 people every year achieve their goals through sport, supporting some of the most disadvantaged, disabled and talented people across Norfolk.

It might be through swimming sessions for children with disabilities, or working with young people in deprived areas - but in the most difficult moments, the Foundation is there for Norfolk, providing an environment to make friends and learn new skills.

Choose us as your **Charity of the Year**, and you'll be helping to sustain our vital services.

BENEFITS INCLUDE...

- Launch of partnership via social media
- Invites to VIP & networking events
- Access to CSF team-building activities and events
- Certificate, regular communication & support from the fundraising team
- Company name on word wall at The Nest
- Visits to programmes you support

...and much more!

“

Working with a local charity enables us to see first-hand where the money we raise is spent.
